**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

**Special Condition #27:** You shall complete a mental health evaluation and follow any treatment recommendations of the evaluating professional which do not require forced or psychotropic medication and/or inpatient confinement absent further order of the Court. You shall allow reciprocal release of information between the supervising officer and treatment provider. You shall contribute to the cost of treatment according to your ability to pay.

**CAUSE**

Mr. Davis admitted to continued use of alcohol on August 11, 2014. The offender has a long and documented history of alcohol and drug abuse. Mr. Davis completed the Residential Drug Abuse Treatment Program while incarcerated with the Bureau of Prisons and has not had any relapse issues until recently. It now appears Mr. Davis needs intervention to help him with his substance abuse. The undersigned officer has referred Mr. Davis to ADEPT for an updated chemical dependency assessment and he will follow any recommendations made by the vendor.

In addition, Mr. Davis feels that his life stressors have contributed to his relapse. The offender's brother recently died, and he is having ongoing issues at his apartment complex with the other tenants and the apartment complex manager. Mr. Davis feels he does better when he has someone to speak with to help him to process and better deal with his life stressors. Mr. Davis is willing and open to speak with a mental health professional to determine if he
